For over 25 years, **Metalware** Corporation has been synonymous with exceptional craftsmanship and innovative design in metal accessories, tailored for the world of luxury fashion. Based in India, we have honed our expertise in creating high-quality metal components for leather belts, footwear, and bags, making us a trusted partner for international brands that demand nothing less than perfection.

Our legacy is built on a deep understanding of the intricate details that elevate fashion to an art form. We know that in the world of high fashion, every element matters. This is why our metal accessories are not just functional components but meticulously crafted pieces that complement and enhance the elegance of your designs. From sophisticated buckles to custom-designed rivets and studs, our products are designed to seamlessly integrate with the aesthetic and quality of luxury fashion.

At **Metalware**, we blend traditional craftsmanship with cutting-edge technology to create metal accessories that meet the exacting standards of global fashion houses. Our team of skilled artisans and designers work closely with international brands to develop bespoke solutions that align perfectly with their creative vision. Whether it's a signature buckle for a statement belt or a unique embellishment for a couture handbag, our accessories are crafted with precision, durability, and an eye for detail.

As we present our latest product catalogue, we invite you to explore the possibilities of collaboration. Our range of metal accessories is not only versatile and innovative but also customizable to fit the distinct identity of your brand. We understand the language of luxury, and our products speak to it fluently.

Join us in redefining luxury with metal accessories that are as unique and refined as the designs they adorn. Let's create something extraordinary together, blending your visionary designs with our unparalleled craftsmanship.

# Belt Buckles

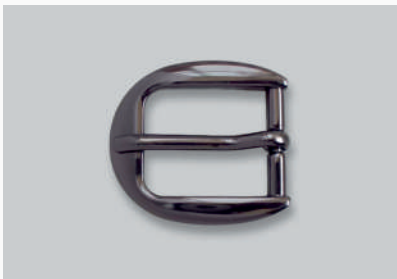

Belts not only serves a fastening mechanism but also add a touch of personality to any outfit. At Metalware, we create belt buckles that are more than just accessories—they're statement pieces. Our collection features a diverse range of finishes, from classic nickel, silver, and gold to the warm tones of brass, tin, and copper. For a modern twist, explore our rose gold and gunmetal finishes.

We prioritize innovation and sustainability with options like nickel-free gunmetal, nickel-free nickel, and nickel-free matte finishes. For a vintage touch, our old English brass, antique brass, and antique silver finishes offer timeless appeal. We also lead in modern technology with **PVD, 3D print, and Iridescent finishes** that make each buckle unique.

Our extensive range of finishes caters to global tastes, offering customization to create signature pieces that elevate any brand. Discover the possibilities with Metalware's expertly crafted belt buckles, where style meets substance in every design.

# Jewellery

Fashion is no longer limited to clothing; it encompasses the perfect match of ties, socks, shoes, and more for men, as well as handbags, jewellery, stoles, and sunglasses for women. We understand that jewellery is more than just adornment—it's a statement of identity, luxury, and craftsmanship.

Crafted with precision, our accessories range from stunning clasps and ornate embellishments to intricate chains and decorative accents. Each piece is designed to transform ordinary items into extraordinary fashion statements. Customize these accessories with a spectrum of our luxurious finishes, including radiant **gold**, shimmering **silver**, and elegant **rose gold**, all made with innovative technology that meets timeless craftsmanship.

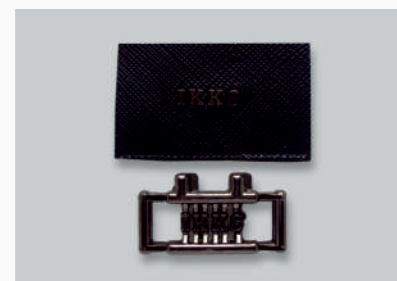

Our metallic accessories resonate with global markets, delivering pieces that stand the test of time. Let us help you turn your creative vision into reality with accessories that are as unique and refined as your designs.
